Identification: Supplied by Supercheap Auto Pty Ltd, BCF Australia Pty Ltd and Rays Outdoors Pty Ltd and sold nationwide through **Supercheap Auto, BCF and Rays stores**. Only 4 outlet powerboard units marked with model number LA025A or LA025B are being recalled.

Supercheap Auto stores have sold affected models packaged as Best Buy 4 Outlet Powerboard. BCF and Rays stores have sold affected models packaged as 4 Outlet Powerboard.

Hazard: Potential risk of fire. Product does not comply with Australian and New Zealand electrical safety requirements concerning resistance to fire and a secure connection to inserted plugs.

Action required: Do not use product, disconnect from supply and return to your nearest Supercheap Auto, BCF or Rays store to obtain full refund.
